PETITIONING THE COURT

To issue a summons.

The probation officer believes that the offender has violated the following conditions of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

1	<u>Standard Condition # 13:</u> You must follow the instructions of the probation officer related to the conditions of supervision.

undersigned officer stated a field contact would be conducted at the job site instead. Mr. Hayes was directed to text the undersigned officer his work location and he agreed. Mr. Hayes failed to do as instructed, then failed to respond to efforts made to contact him by phone that evening.

Mr. Hayes reported to the U.S. Probation Office the next day. When questioned about his failure to respond to the undersigned officer the prior evening, Mr. Hayes indicated he threw his phone, breaking it, and had gone to his house to wait for the undersigned officer despite being directed to provide his work site location.

2 **Mandatory Condition #3:** You must refrain from any unlawful use of a controlled substance. You must submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as determined by the court.

Supporting Evidence: Mr. Hayes violated the terms of his supervised release by consuming a controlled substance, methamphetamine, on or about August 16, 20 and 22, 2019.

On July 11, 2019, a supervision intake was completed in the Eastern District of Washington. The conditions of supervision were reviewed with Mr. Hayes. He signed a copy of his judgment, indicating acknowledgment of the conditions imposed by the Court, to include mandatory condition number 3, noted above.

On August 20, 2019, Mr. Hayes reported to the U.S. Probation Office. He submitted to urinalysis testing as directed. Mr. Hayes denied use of illicit substances and the urine sample was sent to the laboratory for additional testing.

On August 26, 2019, the lab report for the urine sample collected on August 20, 2019, was received and showed a positive presence for amphetamines. Mr. Hayes reported that same day as directed. He then admitted to consuming methamphetamine on or about August 16, and 22, 2019.

The U.S. Probation Office respectfully recommends the Court issue a summons requiring the defendant to appear to answer to the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: August 27, 2019
